Financial Markets in Hong Kong - Law and Practice

Berry FC Hsu, Associate Professor in Law, Department of Real Estate and Construction and Deputy Director, Asian Institute of International Financial Law, University of Hong Kong, Douglas Arner, Associate Professor, Faculty of Law and Deputy Director, Asian Institute of International Financial Law, University of Hong Kong, Maurice KS Tse, Associate Professor of Finance, School of Economics and Finance, University of Hong Kong and Syren Johnstone, Visiting Fellow, Asian Institute of International Financial Law, University of Hong Kong

- The only book of its kind to provide a comprehensive treatment of financial markets and regulation in Hong Kong.
- Covers key features of the recent Securities and Futures Ordinance in a practical and applied context
- Helpful explanations provide the necessary context to understand how Hong Kong's financial markets and regulation differ from those in other major financial centres
- Offers in-depth analysis from a team of respected professionals in this area

Financial Markets in Hong Kong: Law and Practice is an essential text for anyone working in the financial markets in Hong Kong. The book, written by a team of market professionals and academics associated with the Asian Institute of International Financial Law of the University of Hong Kong, provides a comprehensive review of the regulation of Hong Kong's financial markets.

This is the only book to comprehensively explain the current regulatory framework of Hong Kong, from first principles to looking at transactions in context of the developing China nexus. The book covers a wide range of laws and regulations affecting practice in these areas, including in particular: Companies Ordinance; Banking Ordinance; Securities and Futures Ordinance and related subsidiary legislation; Exchange Listing Rules; Takeovers Code, Insurance Ordinance; as well as various other Ordinances and applicable common law and market practices.
